We only promote products, services, and retailers we genuinely believe are reputable and beneficial to our members. Any reviews or recommendations reflect our honest opinions and experiences.

3. Earnings Disclaimer

SmartMarketClub.com offers a consumer rewards-based affiliate model. **It is not an investment program**, and no earnings are guaranteed. Individual results will vary depending on personal effort, consistency, community engagement, and market conditions.

Our compensation structure is built on **projected fixed commissions**, calculated from the Club's collective purchasing activity. These projections are estimates only and may be **adjusted at any time** at the company's discretion to maintain fairness and sustainability.

To ensure the system functions optimally, all members are expected to shop ethically through our portal—**spending at least \$100/month** on everyday essentials. This shared commitment powers the rewards structure and helps maintain stability across the Club.

This is **not a get-rich-quick scheme**. Success requires active participation, strategic engagement, and time. If online shopping isn't part of your lifestyle, we kindly ask that you do not join.

We are committed to transparency, realistic expectations, and long-term value. Join with confidence—and grow your results through genuine effort and community collaboration.
